# Application for Exemption From Social Security and Medicare Taxes and Waiver of Benefits

▶ See instructions on back.

**File Three Copies**

**Part I To Be Completed by Applicant** (Please print or type)

**Caution:** Approval of Form 4029 exempts you from social security and Medicare taxes **only**. It does not apply to Federal income tax.

Name of taxpayer	Social security number
Address (number, street and P.O. box)	City or town, state, and ZIP code

**Before you file this form, please read the instructions under *Who May Apply*.**

I certify that I am and continuously have been a member of \_\_\_\_\_  
 (Name of religious group)

(Religious district and location)

since \_\_\_\_\_, and as a follower of the established teachings of that group, I am conscientiously opposed to  
 (Month) (Day) (Year)

accepting benefits of any private or public insurance that makes payments in the event of death, disability, old age, or retirement; or makes payments for the cost of medical care; or provides services for medical care. Public insurance includes any insurance system established by the Social Security Act.

I request that I be exempted from paying social security and Medicare taxes on my earnings from self-employment under Internal Revenue Code section 1401 and from the employer's share of social security and Medicare taxes under Internal Revenue Code section 3111.

I further request exemption from the employee's share of social security and Medicare taxes under Internal Revenue Code section 3101, for my services as an employee whenever I am employed by an employer who has an identical exemption from social security and Medicare taxes.

***I waive all rights to any social security payment or benefit under Titles II and XVIII of the Social Security Act. I understand and agree that no benefits or other payments of any kind under Titles II and XVIII of the Social Security Act will be paid based on my wages and self-employment income to any other person. I certify that I have never received benefits or payments under the above titles, nor has anyone else received these benefits based on my earnings.***

I agree to notify the Internal Revenue Service within 60 days of any occurrence that results in my no longer being a member of the religious group described above, or in my no longer following the established teachings of this group.

Furthermore, I understand that if the tax exemption for myself or for my employer under sections 1402(g)(1) or 3127 of the Internal Revenue Code is no longer effective, this waiver will also no longer be effective for:

- myself, with respect to all my wages and self-employment income; and
- my employees with respect to wages I may pay to them;

and that if my employer's exemption is no longer in effect, my exemption will end with respect to wages paid to me by my employer. However, the waiver will no longer be effective only to the extent that benefits and other payments under Titles II and XVIII of the Social Security Act can be payable on the basis of:

- my self-employment income for and after the first tax year in which the exemption ends; and
- my wages for and after the calendar year following the calendar year in which the exemption no longer meets the requirements of section 1402(g)(1) or 3127 on which the end of the exemption is based.
